

Lewiston-Nez Perce County Regional Airport

Pilot/Controller Forum

Pilots and controllers talk face-to-face. Learn what you can do to get the most from the Air Traffic Service in the Lewiston area. Safety presentations on the use of fire extinguishers and Aeronautical Decision Making and the consequences of poor decisions.

Directions: Take Hwy US12 west into downtown Lewiston. Turn left on 9th St, which turns into 8th Street. Continue on 8th St. to Bryden Canyon Rd. Turn left and drive to 4th Street. Turn right on 4th Street and turn right again on O'Conner. The meeting is in the EAA Hangar building.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
